

SASKATOON HOME SUPPORT

in conjunction with CKOM's Adopt a Family present:

ADOPT-A-SENIOR

Every holiday season, many seniors in Saskatoon are without family and are left alone and won't experience any Christmas cheer. Saskatoon Home Support recognizes this and wants you to Adopt-A-Senior and make a difference in someone's life.

Lona Finney, Saskatoon Home Support's Owner, during the Christmas seasons, has been providing baking and Christmas baskets for senior's without families in Saskatoon.

Saskatoon Home Support saw how successful CKOM's Brent and Penney Adopt-A-Family efforts have worked for so many years and thought linking together with Adopt-A-Senior could help even more people this Christmas.

"This is a win-win-win for everyone involved," says Lona. "If we can put a smile on a senior's face in Saskatoon, it's worth it!"

If you know of a senior that can benefit, or for more information, call Lona at **306-956-3334** or email at care@saskatoonhomesupport.ca
